## Early Years Pupil Premium (EYPP) allocation for 2024/2025 Academic Year

## The funding will be targeted on:

- Raising standards for children eligible for EYPP in all areas through closing the gap that is common on entry, in particular in Personal, Social and
  Emotional development, Communication and Language and Literacy. Abler EYPP children's focus will be around extending their understanding and
  developing their phonics knowledge.
- Developing parents understanding of the importance of Early Years education and regular attendance.
- Developing good oral health for children through tooth brushing.
- Support 1:1 or group intervention based on next steps or specific areas of development.
- Use strategies in both teaching and learning to link in with school improvement that will have a recognised high impact on children eligible for EYPP (high impact, lower cost) such as early literacy, communication and language approaches (EEF) and self-regulation strategies supporting PSED development promoting good mental health and emotional wellbeing.
- To continue to support families and children in developing language and love of reading through home learning activities and stories.
- Enhance learning experiences for children, developing their cultural capital.
