

South Normanton Nursery News

25th November 2025

Thank you to everyone who took part in Children in Need Day. All of the children looked fantastic in their 'spots' or Pudsey clothes. We managed to raise £29.90. Thank you again.

We will be holding our Christmas jumper week starting on Monday 8th December. During this week, your child can wear a Christmas jumper to nursery. This could be for one day or all week, it depends on how many Christmas jumpers you may have.

Unfortunately, we are unable to give out Christmas cards in nursery, due to the time that it takes staff to sort them out. We ask that parents give out any cards to their child's friends when they have are dropped off or collected. Thank you.

We will be holding our first activity day on Tuesday 9th December, where we will be looking at Winter Celebrations Around the World. We will be running two sessions, the first from 9am to 10:30 am, then from 1pm to 2:30 pm. If you would like to take part in this, then please contact Moira to book in which session you would like to attend. Unfortunately, we will not be able to accommodate pushchairs in nursery, so please keep this in mind. ***Also, we can only accommodate children and parents who normally attend on this day.***

We will be holding our **Christmas Party Day on Friday 19th December**. We will be holding two parties on this day; Foxes will have their party between 9 am and 11 am and Badgers will have their party between 1pm and 3pm. If your child does not usually attend on this day or during this session, they are still invited to come and join the rest of their group. Please note **there will be no full day nursery sessions on this day and your child will only attend at the times given for their party**

We would like to introduce you to Modeshift Monkey. He will be helping us look at how we can look after the environment and how we can travel in ways which are healthy and reduce pollution. Look out for Modeshift Monkey in the coming weeks.

Please remember to inform us if your child has had any medicine before they come into nursery. (i.e. Calpol, antibiotics, laxatives etc.)

Playing together, learning together, growing together
