

South Normanton Nursery News

24th April 2026

We would like to welcome our new families that have joined us this term.

Although nursery attendance is not statutory for children aged 3 and 4, it is important that your child attends as many sessions that they possibly can. We know that children get ill, but we ask that when they are fit and well they attend as soon as possible. Children who do not attend regularly and we are not sure why not, are at risk of losing their place.

We will be holding our next Activity Day on Friday 1st May. The theme for the day is 'Our Environment'. If you would like to join us, and take part in activities in nursery with your child, then please book a place with Moira at info@southnormanton.derbyshire.sch.uk Session times will be 9am to 10:30am and 1:00pm to 2:30pm. Unfortunately, this is only open to parents of children who are attending on this day.

The children who will be going to Reception in September will take part in a visit to a working farm near Matlock. Due to the amount of sessions we can access, our younger children will visit the farm in May 2027. Children will go in groups of up to 6 on a mini bus to the farm and will stay there for either a morning or afternoon session. If you have not already returned your permission slip for your child to take part, **could you please return it by Friday 1st May.**

If your child is still in nursery with us in September and you want to increase or change their sessions, could you please let Moira by Friday 1st May what you need. Thank you.

Friday 24th April – Wrates will be in nursery to take the children's photograph.
